

MOTION BY SUPERVISOR DON KNABE

October 12, 2010

On October 16, 2010, OptimisSport will host its inaugural Distance Swim Challenge, a 12.6 mile course from the Manhattan Beach Pier to the Santa Monica Pier. The open-water endurance competition has been organized to promote active and healthy lifestyles and to raise awareness about protecting water quality in the oceans. All proceeds from this event will be going to Heal the Bay and Exceeding Expectations Foundation, a nonprofit organization that works with at-risk children. Their objective is to teach these children how to set firm goals and work hard to achieve them through sports.

**I, THEREFORE, MOVE THAT** the Board of Supervisors waive the permit fee of \$200 and gross receipts estimated at \$9,049.50, excluding the cost of liability insurance, for the Optimist Sport Distance 12.6 mile Distance Swim Challenge on October 16, 2010.
